

## **JAMAICA MISSIONS USA**

### **Refund Policy/Cancellation Policy**

The Refund Policy pertains to donations made towards project participation fees. It is as follows:

Your application deposit is non-refundable unless Jamaica Missions USA cancels the entire project. In the event of participant cancellation, the deposit may be transferred only once to another project within one year of receipt of deposit. With more than 45 days' notice: Your donation for the participation fee, less the application deposit of \$100 US, will be refunded upon request in the same tax year. Cancellation less than 44 days and more than 31 days will result in 50% forfeiture for the existing project plus the \$100 Application Fee. With less than 30 days' notice: Your fees are non-refundable, as monies have been sent into the field for participation and deposits. Compassionate consideration may be given due to illness or a death in the family.

Please note that monies raised for Project Participation can be applied to approve and IRS eligible expenses for said project. Excess monies remaining after one month from completion of said project, less submitted approved expenses, will become donations to the general ministry.
